ReStore Volunteer Information

When is the ReStore open?

The ReStore is open Monday through Saturday, 9:00am-5:30pm. You can volunteer anytime during these hours, but we ask that you arrive 10 minutes prior to your scheduled shift to ensure you'll be able to participate in the volunteer orientation.

What happens at the Habitat ReStore?

When you arrive for your first shift a Habitat staff member will give you an orientation and show you what you will be doing that day. Different tasks that you could be performing could include unloading donations, general cleaning, working at the ticket counter, and general customer service.

Do I need any experience?

All of our tasks in the ReStore are performed by generous volunteers alongside our staff. No specific experience is required at all. We will show you everything that you will need to know.

What should I wear?

Wear closed toed shoes and dress appropriately for the weather. Our warehouse can get a bit cold in the winter and a bit hot in the summer.

What if we have inclement weather?

If there is a weather related issue we will contact you and let you know that we are closed.

Can I bring someone with me?

All volunteers must register in advance to complete the volunteer waiver. Register to volunteer at habitatspringfieldmo.org/get-involved/volunteer/

What if I can't attend after registering?

Please cancel your volunteer registration as soon as you learn that you will be unable to fulfill your commitment. The more advance notice we're given, the more likely it is that we'll be able to recruit additional volunteers.

What should I bring?

Make sure that you have a water bottle and a sack lunch. We have a volunteer break room where you can bring a lunch or snacks if you would like.

Are there age requirements?

All volunteers must be at least 16 years of age. No one under the age of 16 can be on a job site. If you are 16 or 17 you will need a minor waiver filled out by a guardian.

Are there other ways to help Habitat?

Yes! There are construction opportunities doing home repairs and renovations. We are also always working on a home build. You can also help by making a monetary contribution. We rely heavily on individuals making donations. If every volunteer donated \$10, we could build one additional home every year.

Can I sign-up for both morning and afternoon shifts?

Yes. You can work a full day.

Can I complete court-ordered community service at the ReStore?

Yes, you can complete your hours at the ReStore. For more information please visit habitatspringfieldmo.org or contact Aaron Norrick at aaron@habitatspringfieldmo.org or 417-829-4001 ext.112
