* **Media Day:** May 12, 2017 – Get a free Women Build shirt & join us for media taping!

WHERE: 1139 N. Heartland Springfield, MO 65802

WHY: Help a local low-income family rehab the home they will soon purchase with a 0% 20-year mortgage

This Mother's Day season, we ask for your help in supporting Habitat for Humanity of Springfield, Missouri's participation in a nationwide Habitat for Humanity initiative uniting thousands of women in creating affordable housing in partnership with families across the United States.

Habitat's Women Build program recruits, educates and nurtures women to build – and advocate for – simple, decent and affordable houses in their communities. Our goal is to have 50 women participate in the build from May 6-14 to make an impact on the local family buying the home.
