Homeowner Education Classes

Our Tools for Life Homeowner Education classes provide training and support for any life challenges. It's our goal that Habitat for Humanity homeowners will be empowered and successful homeowners.

Financial Literacy:

- From the basics of banking, saving for college, fraud protection and more, our classes teach the basics of financial literacy to prepare homeowners for success.

Homeowner Education:

- Knowing how to properly maintain your home is a necessary skill. Our classes teach homeowners basic home maintenance for their Habitat for Humanity home.

Conflict Resolution:

- Life can be stressful. Learning how to properly communicate will make those stressful moments easier for everyone involved.

Lifestyle:

- There's always something fun to do, even if you're on a budget! Our lifestyle classes cover a variety of topics that will help you stretch your dollar!

Class Times, Locations, and Teachers

Tools for Life classes are held every Monday night. Classes typically meet at the Habitat for Humanity offices, but can vary depending on the topic and teacher. A full class schedule can be found online. Classes are taught by volunteer experts who have chosen to donate their time, and who are dedicated to our community. If you are interested in teaching a Tools for Life class, please contact Morgan Ash, Partner Services Associate, at 417-829-4001 x 114, or mash@habitatspringfieldmo.org
