Vision for Tomorrow

Welcome! Thank you for attending Habitat for Humanity's 2019 Hearts & Hammers. Your attendance shows your support of our organization. Today, we celebrate individuals, companies and organizations who've made a substantial impact at our local affiliate. Their contributions help Habitat for Humanity pursue its vision, a world where everyone has a decent place to live.

Habitat for Humanity helps to create safe, affordable housing through numerous avenues: generating income through its ReStore and signature events; constructing and rehabilitating homes for those in need of a hand up; repairing existing homes based on need; offering the community free Tools for Life classes; partnering with Woodland Heights Neighborhood through its Neighborhood Revitalization Program; advocating for safe, affordable housing.

Over the past year, great work has been done. We are closer to fulfilling Habitat's vision than ever before. This could not be accomplished without the support of those being honored today. On behalf of the Board of Directors, I would like to thank today's honorees for their dedication to our organization. I would also like to personally thank each of the outgoing Directors being honored today. Thank you for your guidance and dedication.

I would also like to thank Larry Peterson and the Habitat for Humanity staff. I have been continually impressed with your talent, work ethic and heart. Each of you make Habitat a very special place.

As we celebrate success and accomplishments today, I ask that you remember there is still work to do to realize Habitat's vision. There are still many friends and neighbors that need a hand up. I ask for your continued support as we work to ensure everyone in our community has a safe, affordable place to call home. Thank you for being here today.

Sincerely,

**Jacqueline Post**

“ My children are my ultimate prize and my absolute reason for being. It’s my dream to own a home for my children that we can call “ours” - a safe, secure environment that is all ours.”  
 -Nickita, Habitat Homeowner since 2016

“ It was time to own my own home, and with Habitat’s affordable mortgage program, it was possible!”  
 -LeRoy, Habitat Homeowner since 2016

“ We just want a stable, permanent home where we can raise our family.”  
 Jeremiah & Brittany - Habitat Homeowners since June 2018

“ We are ready to do what it takes to attain our family dream of homeownership. We’re ready to make memories in our own home.”  
 James & Christine - Habitat Homeowners since May 2018

“ I am hardworking, loyal and dependable, but I simply can't afford a home that is large enough for my family to live in comfortably.”  
 - Owner of the 2018 Women Build Home.

**Decent shelter provides a solid foundation. It's the platform on which a family lives out today's realities and prepares for tomorrow's transformations. Every Habitat house changes lives: those of the families who help build them and pay an affordable mortgage or loan and all those who offer them a hand up in a time of need.**

**At Habitat for Humanity, we know a home shouldn't cost anywhere near half your paycheck. But when families are forced to pay half or more of their income on housing, tough choices have to be made.**

**A safe home. Nutritious Food. Health Care. Reliable Transportation. Which would you choose?**

**Join Habitat for Humanity as we make a stand, as we work to make the Cost of Home something we all can afford.**

we build strength,  
stability and self-reliance  
through shelter.
