## HOW DOES THE HABITAT FOR HUMANITY PROGRAM WORK?

Habitat for Humanity is a Christian ministry dedicated to the vision of a world where everyone has a decent place to live. In partnership with **households currently living or working in Greene, Christian, or Webster counties**, Habitat for Humanity of Springfield builds and renovates **homes in Greene County on property that Habitat owns**. The families or individuals are called Partner Homebuyers to reinforce that this is a true partnership, not a hand out. When the home is ready, the Partner buys the home with a **0% interest (0% APR) loan provided by Habitat for Humanity**. The price of the house is more affordable because much of the labor is volunteered by groups and individuals from the community, so the price reflects only the cost of land, materials and professional services. See the criteria below for more details on partnering with Habitat.

*If you live and work outside of Greene, Christian, and Webster counties, go to [www.habitat.org](http://www.habitat.org) to see if a Habitat for Humanity affiliate serves your area.*

**WHAT CRITERIA ARE USED TO SELECT AN INDIVIDUAL OR FAMILY TO PARTNER WITH HABITAT AND BUY A HABITAT HOME? You may be selected if you...**
